

Sorry, we are closed.

Dear Guests,

On behalf of the Shearwater Team we are regrettably having to reverse our decision to open for the 2020 season that we announced a few weeks ago.

The Resort made this decision based on there being more recent Covid-19 outbreaks within British Columbia and to also work alongside the Heiltsuk First Nation to protect all residents in the Heiltsuk Territory.

The only services that Shearwater will be offering for the remainder of the 2020 year will be fuel, groceries, our wine and beer store and the hardware store. These services are deemed essential and the resort will ensure they are available as required. We will not be offering moorage for the 2020 season and you will be asked to move on once the essential services have been provided.

The restaurant will be kept open for Campbell Island and Denny Island residents only.

The resort offers our deepest apologies for this and we hope you will understand and respect this decision.

The Resort is offering all our guest's special rates and packages for the 2021 season and hopes that you will reserve your spot for next year.

From our family to your family, please take care.

Sincerely,  
The Shearwater Resort Team.
